Ministry of Manpower COS Highlights 2026

Find out the key points from MOM's Committee of Supply (COS) speeches, including links to detailed information about our announcements.

MOM will continue to walk with workers and businesses, so that **every worker can realise their potential and achieve their career aspirations, and every business can thrive by bringing out the best in their people.**

Together with our tripartite partners, we will empower Singaporeans to build meaningful careers, enable businesses to transform and provide quality jobs; and build more inclusive workplaces that leave no one behind.
